Dear Friend of Landa Gardens Conservancy,

Landa Gardens Conservancy invites you to join us for Landa Nights, our annual gala, on **Thursday, September 28th, 2023**. This year's theme, ***A Night of Wonder in the Garden***, will highlight all that is magical, twinkling and blooming at night on our grounds. While we celebrate under the stars, we raise essential funds needed to sustain our beloved Garden.

Landa Gardens Conservancy was established in 2004 as a 501 (c)(3) non-profit organization with a mission to beautify and maintain the grounds at Landa Library, a branch of the San Antonio Public Library. The funds raised during Landa Nights help us tend to 7,000 plants, playground structures, walking paths, manicured landscaping and native trees. We also maintain our cherished Valero pavilion and the faux bois sculpture created by local artist Carlos Cortés. Your friendship and support allow us to pour energy and resources into this neighborhood gem all year round.

Landa Gardens remains a vibrant and joyous destination for our community. The Garden depends on your continued support and generosity. Please consider joining us for ***Landa Nights: A Night of Wonder in the Garden*** and supporting us through a sponsorship package. Select your sponsorship preference on the enclosed form by **Thursday, August 10th**, to ensure recognition on the invitation.

Thank you for your support, now and always. We look forward to raising a glass and toasting you, our kind donors, as we celebrate ***Landa Nights: A Night of Wonder in the Garden***.

With Gratitude,

Patty Garcia
